**PUBLIC COMMENT** If speaking for an organization or group, the speaker should identify the group represented. If speaking during Public Comment (for matters not posted on that particular meeting's agenda), members of the City Council and Staff may only provide a statement of factual information in response to the inquiry or recite existing policy in response (e.g., to correct a factual misstatement made by the citizen or provide factual information requested by the citizen). Any deliberation of or decision about the subject of the inquiry shall be limited to a proposal to place the subject on the agenda for a future meeting. If necessary, the Chair will task the City Manager to respond to the citizen and report back to the City Council as soon as practicable. Such report to the City Council shall not constitute a meeting called by the City Council nor shall it constitute deliberation or formal action. Individual citizens addressing the City Council during Public Comment shall not exceed three (3) minutes in their comments; however, the Chair may extend or reduce the speaker's allotted time in order to conduct an efficient and effective public meeting. The time allotted shall not be donated to others desiring to speak. Public Comment is not established to engage in a conversation with the Council and no formal Council action will be taken.

**PUBLIC TESTIMONY FOR ACTION ITEMS** Only those persons who submit a completed Request to Speak form prior to the agenda item being introduced by the Chair will be allowed to speak on agenda items set for action (this doesn't include presentations or reports). The Chair shall ask each person requesting to speak to approach the podium when called to speak. Speakers time shall generally not exceed three (3) minutes in their comments and all comments must be germane to the specific agenda item being discussed; however, the Chair may extend or reduce the speaker's allotted time. Speakers shall not be permitted to donate their time to other speakers. Members of the City Council may ask questions or discuss the item directly with the citizen during the citizen's testimony if necessary.
